Re: IPRA Requests

Dear Mr. Martin,

This is a follow up to our earlier partial response to your records request, dated May 31st where you asked for:

"A copy of the cease and desist order delivered to a Sunland Park property owner for what has been described as a "privately funded border wall" that was constructed on the weekend of May 25, 2019. Mayor Javier Perea held a press conference on May 28, 2019, in which he mentioned the cease and desist order."

Our earlier response dated August 16, 2019 notified you that we would need more time to perform research regarding your information request. No record exists of a copy of the cease and desist order that was issued by our Code Compliance Specialist. We can however provide you with audio and video from the day the Stop work order was issued via USB. This can be mailed to at your preferred location or be picked up at our office located at 1000 McNutt Road. The price of the USB will be a total of \$13.00.

For any questions or concerns regarding your request please do not hesitate to contact me . I am available via phone 575-589-7565 or by email. Thank you for your patience in this matter.

Sincerely,

Michael A. Limon, Deputy City Clerk
